Bocce Sonoma Winning League Teams for Session One/2015

SONOMA, CA

Bocce Sonoma league play for 2015 has finished its first 15 week session for 2015. With 13 leagues and 437 members, this organization is going strong. There's still time to join and play for 2015. Anyone interested should email Ginette Carey at gsc3299@att.net for details. The annual membership fee is \$20.00 for each league you play in, and many people play in more than one league; it's that fun. With at least one league playing every day of the week, and the addition of two new courts earlier this year, it's never been easier to make Bocce Sonoma part of your recreational life.
