Sonoma-Tokaj Sister Cities Committee Presents an Afternoon in the Wine Regions of Hungary ---Saturday, Jan 24

SONOMA, CA

The Sonoma-Tokaj Sister Cities Committee is hosting an informational and fun event at the Sonoma Community Center on Saturday, January 24th from 3pm to 5pm: "An Afternoon in the Wine Regions of Hungary."

In the fall of 2014 two students from Santa Rosa Junior College Wine Studies Program were sponsored by the Sonoma Tokaj Sister Cities Committee on a 5 week study tour of the wine regions of Hungary. The students, Ramsay Payton and Seth Yungert, will share their knowledge, experiences, and photos of several famous wine regions in Hungary: Tokaj, Villany, Szekszard and Badacsony.

Hungarian refreshments and wine will be tasted, and visitors will learn all about our Sister City: Tokaj, as well as other Hungarian wine regions.

RSVP's appreciated at sonomatokajsistercities@gmail.com
