Internship in Tokaj, Hungary

The Sonoma Tokaj Sister Cities Committee (STSCC) will be providing an opportunity for an internship during the harvest this year in Tokaj, Hungary. We are looking for someone who will represent the Sonoma community and our sister City Committee.

The Program

The internship is from September 1 to November 30, 2016. The intern will be working at the Tokaj-Hetszolo Vineyards with Gergely Makai, winemaker, who speaks English and is able to provide instruction and sharing knowledge of local wine making processes. The winery will provide room and board and a small stipend for leading tours. Our Sister City members in Tokaj will provide cultural programs during the weekend or non-working hours.

Requirements

- Intern must be 21 or older
- Driver's license with ability to drive a car with manual transmission
- Have experience working the crush at least twice
- Able to handle harvest, cellar duties and other assignments
- Flexible, enthusiastic and mature individual with strong work ethic
- Submit a resume and a cover letter explaining why he/she is applying for the internship

Intern Responsibilities

- Airfare
- Willingness to spend time learning some basic Hungarian
- Share their experience in a classroom situation and with the STSCC.
- May be required to attend Sister City fundraisers
- Must register at Santa Rosa Junior College's internship class for the fall 2016 term
